第61話

PROJECT_FINALBOSS

[ORIGINAL SCRIPT BELONGS TO GO-K SUBS]

CREAK...
What happened Itou?
Sorry.
At the time of saying goodbye, that full and beautiful life, is like our feelings.
Ha ha
I guess even Chihirou has disastrous moments.
From The Camp
Only he recalled the message the poem of this spring tells.
True...

No
I like....
Impossible
You really like that guy
It seems that ...
But a Moment ago
I said those words subconsciously

ON ONE HAND, SAYAKA DECIDES TO MEET HIKARU ONE LAST TIME.
ON THE OTHER HAND, A LOVING RELATIONSHIP BETWEEN CHIHIRO AND SUBARU?

.....
Tsk...
Sup Subaru?
Its rare to see you practicing late given your position
Hey, hey
I think you're trying too hard there
DONG
DONG
STUBBORN
Thank You
Ouch!
Dammit
Ah

Fuck
The same image always seem to appear in my head...
Subaru,
These are the lineup teams for the competition
Wanna See?
This is...

Always remember what happened at training!
Hell yeah! We'll beat Kaijo Highschool's ass and win the competition!
The Gymnasium of Seinan Highschool
Seinan and Kaijo will be in the finals!
I didn't understand one bit of what she was saying!
His mother said that his heart caught chill
I wonder what that could that have meant?
About that...
I've already called his home.
It seems he didn't show.
Eh,
As for Hikaru Senpai...

Good luck Hikaru!
I'm sure that...you don't want to show me your weak side!
Although it may be painful
HIKARU
.....
Whenever you display odd behavior...
Its usually due to something happening between you and Sayaka.
But
I won't be pessimistic anymore
He must certainly be trying to bottle up his hurt feelings.
All I can do...
Is wish you the best in my heart.
I will never give up on sayaka

You mustn't give up!
Don't turn your back on the one you love...

Wow
Isn't that the famous Sayaka-San?
Really?
That person is no different from a b-grade horror flick monster
C'mon bro, get real. As if the real Sayaka-san is going to be here.
Farewell
Suzuki-kun...
Even so, I'm hurting so much my heart stings
It was me who decided to broaden the distance between us and part ways.

When I grow up
Because Onee-chan reminds me of Sayaka
This is special treatment hehehe
I even have no Strength left to get up
Onee-chan Are you crying?
Eh?
Please don't be sad
Mana will give you some candy
Mana Likes Sayaka very much!
I want to be an actress as good as Sayaka!
.....

Sayaka!
I finally found you
What are you doing? You even turned off your cell.
There is work to be done! A meeting is being held in Roppongi.
!!?
...!
Morikawa-San?
Work?
But I already canceled my contract with the company.
Enough nonsense!
No more talking! We'll continue this conversation inside the car.
Yes
I already found Sayaka.

Takumi
This is
You still didn't tell Morikawa-san that I cancelled the contract?
Its "Takumi-kun"
Cancelling by your own accord isn't any good
You're our main actress
The director and I will not allow you to do that.
Don't underestimate us
We aren't ones to give out work without thinking it through
It was never out of pity
You
thought you had work because me and the director was being generous
But
Sayaka
It seems you have misunderstood my intentions

The you now whether its in the position of popularity or in the world of the entertainment...
Have reached this point by yourself!
The fact that you could attract all this public with your incredible performance
Makes you a special existence
Because of your talent
More and more fans adore you
You're an actress who can act on its own account

Because
We may no longer be lovers
Takumi-kun… but…
Although I am down because you broke up with me
I am aware that canceling the contract means a great loss for the company
But from now on we are coworkers
As of now, I hope you continue your performance
I am also your fan
If you still feel guilty towards me
Then go back to work
BEEP

Takumi-San
I'm Sorry
So sorry Truly from the bottom of my heart
To the us who once were...
Farewell

Thank you
I see
What follows is a recording for the CM and a specific meeting.
.....
As for the evening, you have yet another recording
In the afternoon, there are 3 magazines that request an interview
Morikawa -san
This...
What is my schedule for today?
Also
It was Suzuki-kun who supported my dream more than anyone
This line of work is my dream
And I will be a player of the NBA
Let's do it together!
In the future you will be a great star

Subaru-Kun...
The dream that you tried so desperately to protect
I won't abandon it
Because this was our decision we made in the past, and so it will become our future

My parents will be out late tonight...
Will you be able to stay in my room before sundown?
I get it...
.....
If she likes me...
Then I'll be able to live happily
If not, then I will remain wounded
But
Shinobu, guess what?

What I want
I know very well
Eh
Why?
Am I too boring for you or something?
No
Excuse me
If Hikaru was around
You're a very good girl
Your tits are big and you have gentle kisses
Let's put an end to this now
He would surely mock me for being wishy washy and running away from myself

Look for a better man
That's why
You should never go out with a person like me who can't forget about the woman who rejected him.
That way you'll obtain happiness
ugh
I already
What are you saying?!
Shinobu...

Its snowing out
Plan not to keep running away
Whenever I think back on that day, a guilty feeling floats in my heart.
In these 2 years
Snow
W
W-Donald's
The pain I have now
Now...
Now as well
but
There's also pain in my chest when I think about Shinobu

Aren't you wondering who is taking this order?
ITOU CHIHIRO
TAP...
What would you like?
Welcome
You
Eh?
That isn't an the mann

Shinobu...?
Is it really Shinobu who is in my sight?
Not to mention he just said something strange
.....
All my thoughts regarding Shinobu...
Has created an illusion before me!
It seems that
Oh god, what am I thinking?
Touch
Grr
It sure is incredible
Real
In addition
for just an illusion

Wait ..its real?
How long do you plan to keep doing that?
When the training ended
I was thinking of you
Because
I have something to say
Why is Shinobu here all of a sudden?
.....

I wanted to forget all the feelings I had for you
I couldn't forgive the fact you were drifting away from me because of Hikaru
In these past 2 years
I hated you
.....
But
I just couldn't forget about you
Exceeding the hate
There is an unstoppable emotion hijacking my heart
I

No matter how many times I'm betrayed.....
I still like you...
I like you sa much that...
it daesn't matter whether you're still hung aver Hikaru

In the upcomming competition
Seinan and Kaijo will surely face each other in the end
!
I, Suzuki Shinobu
Will win it all before your eyes
I've always envied Hikaru
Ever since that day

Now, I decided to return once more
And accept falling in love with Hoshino again
But I lose to Hikaru everytime
I have almost everything
Hikaru always moves one step further
Whether I make it a reality or reach a sad conclusion..
Watch me
Whether its as a player
Or as a man, I am going to overcome Hikaru
Its just not fair
I won't be able to move on until I surpass Hikaru

I must defeat Hikaru
When I do... I'll confess to you once more

I must
defeat
Hikaru
When I do... I'll
confess to you
once more

Wow Chihiro, that was amazing. Is it true he confessed before?
How'd you two meet?
Not to mention he's hot!
.....
Ba-thump
Ba-thump
Ba-thump
Ba-thump
I can't believe it
After all the times I betrayed him
Shinobu
Why
CHIHIRO
Such dangerous words
Why?

I'm crying?
I will defeat Hikaru
When I do, I'll confess to you again
